Sask. Co-op. Declines To Sell Elevators

Providing for the construction of the Saskatchewan Co-operative Elevator Co. with the Saskatchewan Co-operative Elevator Co. as the named agent for the "Co-op." shareholders had to Regard.

The meeting decided to defer the question of the sale of the facilities in the event pool for the consideration of a special meeting to be held within the next two months.

The decision of the meeting, which was not reached without much discussion and courteous attention, was that the directors should secure immediately from the plant the best terms under which it is proposed to acquire the elevator facilities and to subordinate the details to the shareholders in time to permit a special meeting being held.

Studying Rural Credits

Form credits in Alberta are up again for investigation. The Provincial Government has appointed the following committee: H. B. G. Reid, chairman; J. H. D. Miller, secretary; Dr. H. M. Topp, C. W. Peterson, editor of the Calgary Free Press; and J. H. D. Miller, chairman of the Alberta Legislative Committee, and James Pike, assistant manager of the Lethbridge Northern Canadian.

It is proposed that the committee investigate the entire question of rural credits and report on the results and information already secured or available, the whole purpose being to work out a more effective system than any now in sight. The province may have asked the committee to investigate the entire question of rural credits and report on the results and information already secured or available, the whole purpose being to work out a more effective system than any now in sight. The province may have asked the committee to investigate the entire question of rural credits and report on the results and information already secured or available, the whole purpose being to work out a more effective system than any now in sight.

The Alberta government is convinced that a system of long term rural credits is necessary in the marketing of Cattle, particularly the West, and that a more effective system could be worked out in connection with the Federal government. It believes, however, that the merit is to regard that the people will tolerate no further delay and that some adequate system be brought into effect as quickly as possible, whether the government or otherwise.

The "Liquor Control" Board of Alberta opened a liquor store at Hanna on Friday, with A. L. Davidson as manager.

Gold Medal for Canadian National Railways

Another testimony of the excellence of the Canadian National Railways is the receipt of a gold medal from the Canadian National Exhibition, Toronto, for the excellence of its service after a year for which it exhibited in the building this year.

One of the most attractive exhibits at this exhibition, each year is the Canadian National Railways and many complimentary expressions have been received by the company from visitors from all parts of the world.

The medal just received has a portrait, in low relief, of the Premier of Ontario on one side and on the reverse side a view of the Canadian National exhibition grounds.
